To add a guest/club pass player to an event roster, you'll first want to be sure that the event allows both types of players. Once this is done here are the steps:

1. Add the player that you're using for the event a player role with your club by going to:

Club management>players>add player. Here you will look up that player and add them to your account.

The screenshot displays the 'Players' management page in the GotSport system. The left sidebar shows the navigation menu with 'Club Management' expanded and 'Players' selected. The main content area shows a list of players with columns for Name, Email/UserID, Gender, DOB, Age, Level, and Phone. A red arrow points from the 'Add Player' button in the top right corner to the 'Add User' modal form. The modal form is titled 'Add User' and contains the following fields:

- DOB: A date picker field.
- First Name: A text input field.
- Last Name: A text input field.
- Email/UserID (optional): A text input field.
- Postal Code (optional): A text input field.
- A 'Search' button at the bottom.
